# Help us, help you

## What are the key industry issues that concern you?

- Government regulation including legal certainty for owners rights to offer their property
- Council's increasingly looking to create their own regulation
- Operating issues
- Ensuring properties are safe and compliant
- Establishing industry standards
- Making sure properties and guests are properly insured
- Party houses
- Dodgy landlords
- Need for an industry 'guest' rating system
- Portals increasing rates and commissions
- Review systems flawed
- Inconsistent rankings and out of area listings
- Changes without industry consultation
- Instant booking
- Need flexibility to charge separately for bonds, cleaning etc
- Unprofessional managers
- Other

---

---

---

---

## What would you most like to see from your national industry association, the HRIA?

- Lobbying Government on planning and fair trading regulation
- Promoting our services to tourism and trade minister
- More networking
- Regular updates of all industry related news from the media
- Training and education
- Generic management agreements and other templates
- Industry awards - recognition of industry excellence/best practice
- Industry discounts
- Other

---

---

---

---

*yes please*
